Hi Beth,

Understanding Deb said she didn't need these, we had already started on them, and I think they came out really good. So, I'm moving them forward to you should Deb want some TPs after all!

Kate, I also think these TPs would be good for you and Doug's conversations with municipal entities.

Hi Deb,

OPA is coordinating with Air on the press release, notification to Congressionals and state commissioners. Would you like talking points on this for the **1/19 call** with Commissioner Dykes and the **1/25** meeting with Director Gray? This was asked during this morning's So. Fork Wind communications plan meeting.

Thanks

Beth
